

DU CHONGYANG

ENTRY-LEVEL STATION HAND | CATTLE PROPERTY HAND | LIVESTOCK FARM HAND

Phone: +86 19925679844 | Email: dcy@outlook.ie

Valid Australian Work Rights | Valid Chinese Manual Driver Licence — Car & Motorcycle | Available Full-Time | Willing to Relocate Throughout Queensland

PRACTICAL SKILLS

- **Mechanical:** Hands-on motorcycle and vehicle maintenance including oil and filter changes, wheels and tyres, batteries, jump-starting, spark plugs, brake pads and motorcycle electrical troubleshooting
- **Welding & Fabrication:** Practical Stick/MMA and TIG welding experience, with stronger experience in Stick/MMA; familiar with metal cutting, fitting, grinding and basic fabrication
- **Motorcycles:** 5+ years and over 50,000 km of riding experience including street, off-road and unsealed-road riding; hands-on motorcycle electrical repair and troubleshooting experience since an early age
- **Vehicles & 4WD:** Driving since 2019; experienced with manual cars, utes, vans, SUVs and 4WDs, including muddy tracks and unsealed roads
- **Tools & Electrical:** Confident with angle grinders, electric drills, rotary hammers, cut-off saws, bench drills, basic workshop machinery and common hand tools; experienced using multimeters, clamp meters and basic electrical diagnostic tools for circuit testing and fault finding
- **Rural & Construction:** Practical experience with tractors, water pumps, irrigation systems, laying and joining pipes, basic pipe repairs, concrete mixing, drilling, cutting and residential construction assistance
- **Outdoor:** Extensive camping experience, remote fishing trips and offshore fishing; comfortable in remote outdoor environments and physically demanding conditions

PROFESSIONAL SUMMARY

Practical and mechanically minded worker seeking to transition into cattle station work. Strong hands-on background in mechanical maintenance, welding, motorcycles, 4WD driving, tools, basic electrical troubleshooting, water pumps, pipe repairs, irrigation and rural work. Keen to learn cattle handling, mustering, fencing, water runs, machinery and general station operations.

VOLUNTEER EXPERIENCE
