PROFESSIONAL PROFILE

Practical and mechanically minded worker seeking a Station Hand or Farm Hand position in regional Australia. Hands-on capability across vehicle and motorcycle maintenance, manual and 4WD driving, welding, tools, water pumps, irrigation, pipe repairs and general construction assistance. Currently Brisbane-based with own vehicle, QLD White Card, full Australian work rights, no sponsorship required and available immediately for early starts, physical outdoor work and regional or remote living. Ready to learn cattle handling, mustering, fencing, water runs, machinery operation and general station duties under experienced supervision.

RURAL & MECHANICAL CAPABILITY

- **Vehicles & 4WD:** Manual cars, utes, vans, SUVs and 4WDs on muddy tracks and unsealed roads; 5+ years and 50,000+ km of motorcycle riding.
- **Pumps & Irrigation:** Water pumps, irrigation systems, pipe laying and joining, and basic pipe repairs.
- **Tools & Repairs:** Angle grinders, drills, rotary hammers, cut-off saws, bench drills, workshop machinery and common hand tools.
- **Mechanical Maintenance:** Oil and filter changes, wheels and tyres, batteries, jump-starting, spark plugs, brake pads and basic fault finding.
- **Welding & Fabrication:** Stick/MMA and TIG welding, with practical cutting, fitting, grinding and basic fabrication.
- **Rural & Construction Assistance:** Practical exposure to tractors, concrete mixing, drilling, cutting and residential construction assistance.
- **Outdoor & Remote Work:** Extensive camping and remote fishing experience; comfortable with physical work and changing outdoor conditions.
- **Safety & Teamwork:** Emergency-response training, following procedures, team coordination and calm decision-making in difficult conditions.

RESCUE, SAFETY & REMOTE READINESS

Blue Sky Rescue Team - Volunteer Rescue Member | 2020-Present

Participated in emergency response during the 2021 Zhengzhou floods. Regular training in emergency response, self-rescue, outdoor safety, teamwork and wilderness survival.

WORK EXPERIENCE

E-commerce Operations & Digital Marketing Supervisor | China | 2022-2026

Managed projects from setup through ongoing operations for European and North American markets, demonstrating independent problem-solving, team coordination and English business communication.

EDUCATION

Diploma - High-Speed Railway Engineering Technology | Guangdong Communication Polytechnic | 2019-2022

Training included engineering surveying, CAD, engineering drawings, construction fundamentals, principles of machinery and electrical circuit inspection and troubleshooting.

LICENCES & AVAILABILITY

Own vehicle | QLD White Card held | Valid manual driver licence held | Available immediately for full-time work | Full Australian work rights | No sponsorship required | Comfortable with early starts and physically demanding outdoor work | Willing to work away from home and relocate throughout regional Australia | Happy to complete drug and alcohol testing | Willing to learn and obtain job-required tickets, licences and certifications.
